December 8, 2017

Dear Valued Customer,

Effective with new orders received on Friday, December 15, 2017, we are increasing our published price on most wide flange, standard beam and H-pile products by \$2.00/cwt or \$40/ton.

All confirmed orders as of the close of business on December 14, 2017 will be price protected if shipped before Monday, January 15, 2018.

As always, we will monitor the marketplace and respond accordingly in order to maintain a relevant published price list for Beam Mill Products.

If you have any questions, please contact your District Sales Manager or the mill direct at (800) 289-6977.

Nucor-Yamato Steel thanks you for your business and appreciates your continued support and cooperation.

Sincerely,

Matt Brooks  
Sales Manager  
Nucor-Yamato Steel Co.
