January 8, 2018

Dear Valued Customer,

Effective immediately with new orders received on Tuesday, January 9, 2018 we are increasing our published price on most wide flange and H Pile products by \$2.25/cwt or \$45/ton.

All confirmed orders as of the close of business on January 8, 2018, will be price protected if shipped before February 10, 2018. Please note adjustments were made to some product families on our price list noted by an asterisk to better address competitive global pricing.

As always, we will monitor the marketplace and respond accordingly in order to maintain a relevant published price list for Beam Mill Products.

If you have any questions, please contact your District Sales Manager or the mill direct at (800) 289-6977.

Nucor-Yamato Steel thanks you for your business and appreciates your continued support and cooperation.

Sincerely,

Matt Brooks  
Sales Manager
